SOURCE OF ANNUAL RETURNS INFORMATION: Charts are for illustrative and educational purposes only. Investments cannot be made directly into indices, which are unmanaged and do not incur any fees or expenses. Investment returns and principal values will fluctuate over time, so that an investor's shares, when redeemed, may be worth more or less than their initial costs. Asset allocations should be rebalanced on a regular basis. Please read the prospectus carefully prior to making an investment into any mutual fund or security.
